Re: Permit Review Status, Diamond K Gypsum, DKG Quarry, M/015/041, Emery County, Utah

Dear Mr. Palmer:

On July 2, 1999, the Division received Diamond K Gypsum's response to the Division's December 9, 1998 review regarding the amendment for the DKG Quarry large mining operation. Due to a backlog of other permit reviews we have been unable to complete a review of your latest response within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your response by September 3, 1999. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Joelle Burns
Minerals Secretary
